About our service:

We seek to respect the privacy of your event, leaving you and your guests to enjoy the elegance of the setting. Our style of serving from the buffet line allows our servers to exit the room so you may enjoy a quiet, uninterrupted dinner. Service to seated guests at tables may be specially arranged.

About our food preparation:

- We serve quality food which tastes good. We season carefully with natural ingredients. Our sauces and gravies are made from scratch.
- Our thoughtfully constructed menu options will provide a welcome variation to dining out.
- All menu items are prepared with fresh ingredients. Our soups and salads are made from whole vegetables which are prepared by hand.
- Whenever possible, local and organic products are utilized.
- Our dessert cake baker has been baking for 20 years and has a reputation for excellence.
